

A CHANGE IN A DRUG STORE

To All My Friends and Acquaintances in Monroe, Marion, Ralls and Shelby counties I wish to announce that I have purchased the Drug stock and fixtures of L. C. Saunders, being the largest and best equipped stock in North Missouri, and will continue the business at his old stand

Also, that you will always find George W. Tompkins, who is a Registered Pharmacist, ready and willing to attend to any of your wants that require strict attention and a thorough knowledge of Drugs, as well as an all around man anywhere

M. B. Garner will be with us to serve you with all of the up-to-date drinks that are drawn from a first-class fountain, as well as attending to any other wants in the store

Our efforts will be to please in every way and if we fail tell us about it and nobody else and we will make it right if its possible We will aim to carry the very best of Drugs and goods usually carried in a first-class drug store, and if we prove a success it will be because our friends stay by us

I Am Going to Pay Cash

for everything I buy and will ask you to do the same

as I am not big enough, financially, to do a credit business. So if you want to see your old friend succeed, give us your business.

Very Gratefully Yours

J. F. PATTON
